

Welcome Letter

School Year: 2024-2025

Dear Preschool Families:

We would like to welcome you and your child to Children At Play at the start of a new school year.

With each new school year comes the need for our forms and releases to be submitted or updated. These forms including a Parent Questionnaire help us plan many of our school activities and allow us to get to know your child. Please take a few minutes to complete the forms below.

Please return these forms to us by the date of your scheduled classroom visit this summer.

If, at any time during the school year, this information changes, please inform us immediately so we can update your child's file. It is vital that we always have the most up-to-date information on file for each child.

Sincerely,

Leona Mannuzza
